## Wednesday, November 29th, CCD Advent Adventure

Good stewards are like the industrious and reliable servants in today's Gospel, prudently using and multiplying the gifts entrusted to them by God.

Stewardship is a way of life, a way of thanking God for all the divine blessings we have received by returning a portion of the time, talent, and treasure allotted to us.

The Tax Reform Act makes a will vital and essential for every American. To preserve your hard-earned estate for those you love and have supported in life, distribute that estate legally by a will.

What are your God-given talents? Help them to grow by sharing them with others. Discover the joy of service in ministry. (Mathew 25:14-30)
